Version History:

v5.2.01

- **HOTFIX:**
Resolved “Experience Level MUST be 30 or higher!” *alert* when interacting with an entity other than the Enchantsmith.

v5.2.00

- Added the **Enchantsmith**; Offers *Enchanted Book(s)*, **Disenchant** items.
- Adjusted trades (**Villager & Wandering Trader**).
- Reroll trades using a *Clock* [while sneaking] on a **Villager**.
- Villager can ride **Camel/Llama**.
- Reduced projectile damage dealt to an **Iron Golem**.
- Adjusted bartering (**Piglin**); Player equipped w/ Golden/Netherite Armor Set increases chance to toss rare items.

Trading REVAMP:

A Quality-of-Life "REVAMP" add-on. Adds the Enchant Smith. Overhauls trading/bartering. ALL trade slots are visible. Explore biomes to exchange for rare items!
